Summary

A 4th year undergraduate pursuing a BSc (Hons) in Information Technology, experienced in software development, skilled in MERN stack development and Laravel, and looking to make a meaningful impact.

Experience

Software Engineer Intern - Keen Rabbits (Pvt) Ltd (six months) Feb 2025

Built and deployed web applications using **Laravel, PHP, MySQL, Blade, and JavaScript**, including multi-role authentication and CRM features.

Improved website visibility by implementing **SEO strategies** such as keyword optimization, meta updates, and performance tuning.

Installed, configured, and customized **Odoo ERP Community Edition** for project, purchase, and inventory management workflows.

Projects

- AI-Powered Homework Management and Performance Monitoring System
  Developed an intelligent homework automation system using Large Language Models (LLMs) and NLP techniques to generate, assign, and evaluate student homework.
- Recipe Sharing Web Application
  Spring Boot RESTful API for the backend, a React based frontend, and MongoDB
- Garment and Management System
  HTML, PHP, JavaScript, CSS, MYSQL, Apache Server
- Food Ordering System
  JAVA, OOP Concepts, JSP, HTML and CSS, JavaScript, Tomcat Server
- Keen Rabbits Website
  Laravel, Blade Templates, Custom Middleware, MySQL, SEO Optimization
- Starluxe Travel Website
  HTML, CSS, JavaScript, Laravel, Responsive UI/UX Design, Customer Review System, Manual & Cross-Browser Testing, Deployment
- Build Ease Constructions Systems
  Mongo DB, Express.js, React.js, Node.js and Tailwind CSS
- Saradha Lanka Agro (pvt) Ltd company
  Mongo DB, Express.js, React.js, Node.js and Tailwind CSS
- Student Management Systems
  Python and React

Education

- **BSc (Hons) in Information Technology** – SLIIT Campus (2022 – Present)
- **Certificate in Machine Learning** – Zero2leran (2025)
- **Certificate in Cloud web application Builder- Training Badge** – AWS Academy (2025)
  (AWS using services such as EC2, RDS, VPC, Load Balancer, Auto Scaling, Secrets Manager, and Cloud9 — applying the best practices of the AWS Well-Architected Framework.)

- **AWS SimuLearn: Cloud Practitioner** – AWS Skill Builder (2025)
  - Computing Solutions
  - File Systems in the Cloud
  - Amazon Simple Storage Service (S3)
  - Networking Concepts, Connecting VPCs
  - Auto Healing and Scaling Applications
  - Highly Available Web Applications
  - Relational Databases
  - Core Security Concepts

- **Azure Microsoft Learn** (2025)
  - Introduction to Azure virtual machines
  - Plan your Linux environment in Azure
  - Add and Size Disks in Azure Virtual Machines
  - Configure Azure Blob Storage
  - Configure Virtual Networks
  - Configure Virtual Machine Availability
  - Load Balancers course
  - Relational database services in Azure
  - Describe Azure identity, access, and security
- **Diploma in Software Quality Assurance** – SLIIT Campus (2024)
  Web Test Automation, Mobile Testing, API Testing, Test Reporting, Performance Testing, Security Testing, Test Automation Frameworks
- **Certificate in Computer Science** – NIBM Kurunegala Campus (2021)
  MS Office, Computer Hardware, Networking, Graphics, HTML, CSS, Software Engineering, Programming with C & C#, Database with SQL
- **Certificate in Python for Beginners** – University of Moratuwa (2024)
- **Certificate in Selenium WebDriver** – Alison (Ireland) (2024)
  Selenium WebDriver architecture, Automation, and Web UI automation
- GCE (Advanced Level) Examination in 2020 **– 3 C's (1st attempt)**
  St. Joseph's Balika Vidyalaya, Kegalle Stream – Physical science (Index No -2467407)
- GCE (Ordinary Level) Examination in 2017 **- 9 A's**
  Kegalle Balika Vidyalaya, Kegalle (Index No -72227990)

Skills

- Programming Languages: Java, C#, C, Python, Kotlin, PHP
- Databases: MySQL, MongoDB, Tomcat server
- Frameworks & Libraries: Spring Boot, React, Node.js, Express.js, Laravel
- Web Technologies: HTML, CSS, Tailwind CSS
- Tools & Platforms: Firebase, Ubuntu, Power BI, VMware, AWS, Microsoft Azure, Linux,CI/CD

Skills Highlighted

- Problem Solving | Teamwork | Communication | Time Management
- Critical Thinking | Adaptability | Collaboration | Attention to Detail

DECLARATION

I do hereby certify that the particulars furnished above are true and genuine to the best of my knowledge.
